Do you need to keep track of all the complex details regarding different sporting events, involved teams, leagues, seasons and other relevant aspects? Splendid City Sports Scheduler comes with a collection of tools meant to offer an efficient management of all sports-related events. By using this simple-to-use app, you can streamline the whole process of listing, tracking, recording and reporting your sports leagues and events. Monitor all the changes to all your data It comes with a clean interface, that will offer a two section layout, users being able to access commonly used functions through the top buttons and view sport events listed below. All the essential tools for quickly establishing the fundamental details of sport events are offered directly from the interface's buttons. The application offers an overwhelming collection of useful features that are embedded within its apparently basic menus. Nevertheless, once users enter its menus, they will find themselves discovering more and more of its features, which will allow them to create new projects for their events, manage team members and officials, establish locations and set up match dates. Users will be able to access a separate schedule wizard that will allow them to define, step-by-step, the details for the leagues / divisions, locations, teams, match times and official crew members. The application offers intricate settings for the match dates, with start and end times, as well as a dedicated match time calculator. Extensive customization and a comprehensive set of crucial features for the sports managers and sports aficionados alike Sports managers and passionate amateur users as well will certainly appreciate the amount of customization the application has to offer. Featuring a detailed documentation that will help novice users understand its features, Splendid City Sports Scheduler manages to make itself accessible for all users. Almost all of the sports related aspects that users will define through the application can be refined to match their requirements. The program offers settings for most of its features and boasts a solid preferences module, that will help users shape the sports events schedule to their requirements. Users will be able to also publish their data, export it to many formats and adjust it in the internal reports editor. There isn't much that this software package lacks and the only negative aspect that could be worth mentioning is the fact that it does not provide contextual menus for the items listed in the Projects or Object Pools tabs. Valuable application that will offer a dependable software solution for an efficient scheduling of sports events. Key Features:-

- Manage your sports events calendar in b7e8fd5c8

The interface is awesome, you can add and manage objects in easy and intuitive way. It's really easy to use and manage. Linda ★ ★ ★ ★ June 19, 2019 I downloaded the app to keep track of sports leagues for my daughter's football team. Unfortunately, there were a couple of bug in the app, but those were immediately corrected by the developer. The application is very easy to use, and the creator has done a great job in making it user friendly. It really helps you to keep up with all the games and make sure the players have the right training. Kannice ★ ★ ★ ★ May 29, 2019 For school, club and business managers, Splendid City Sports Scheduler provides a tidy interface for launching sports activities
